Subject: FW: UPDATE: Good Sam Meeting Invite

Hey Shaun and Joan—

I wanted to make you aware of this meeting I'm trying to pull together. You are of course invited.

Doug

Subject: Re: UPDATE: Good Sam Meeting Invite

Hi Doug, sorry it looks like you had my old email address. I am interested in participating in Good Samaritan discussions, but will be out of town the entire week October 12-16. The next week is fairly open. Please keep me informed about future opportunities to become involved.

Dave

Have heard from some folks on their availability. Here's what I have so far (others?).
Should we also look for a date the week of October 19th?

Could only make Thursday, October 15th

Patty Limerick

Bruce Stover

Elizabeth Russell

Could only make Friday, October 16th

Peter Butler

Also, I hope I have Dave Holm's correct email (Hi, Dave!)

Subject: Good Sam Meeting Invite

Hello everyone--

I want to invite you to a meeting to explore options and ideas related to Good Samaritan abandoned mine cleanup efforts, with a focus on possible legislative ideas. I have spoken to a number of you regarding this effort and we think it worth bringing us all together so as to get a status report on ongoing efforts and to consider other options that may not have received much attention.

I should say a couple of things upfront:

- We are not looking to address remediation or other issues related to the Gold King mine and instead are looking to explore longterm solutions related to voluntary efforts at cleanup
- We would like to proffer an idea related to making small changes to Superfund instead of the Clean Water Act, and will send that around prior to the meeting as a "strawman" proposal that could be the basis of our discussions at this meeting and possibly further discussion
- Although the focus here would be on Superfund, we would be open to discussing other options that have been suggested in the past, including proposals regarding Good Samaritan permit options
- We would welcome discussions regarding funding options, but that also is not the focus of this first gathering

Please let me know if you are interested in such a meeting. Also, let me know if there are others who you think should be invited.

We are looking at the possibility of meeting on October 15th or 16th. Let me know if you could make either or both of these days and if you have a preference (we are expecting this meeting to only last about 2 hours. The meeting will be in the Denver-Boulder area, and we can include a conference call in line for those who cannot be there in person.

Thank you all for your work and interest in mine cleanups, and hope you can attend.

Doug
